

An academic confirmation should have the following information:

- name of the university/faculty
- official name of the study program
- the official length of the study program (for example 4 years)
- full-time graduate program, part-time program or distance learning
- date when he will probably graduate and receive the bachelor degree certificate (**important**)
- topic and date of the thesis
- date of the confirmation
- signature from the university (registrar or dean)
- official stamp from the university

Please note: If granted admission, you need to show your original bachelor degree when registering as a student.
