

Request for recognition of IIS Abroad Semester (only for study start in/after winter term 2021/2022)

Students who can provide evidence of a completed university degree (Bachelor or Master) from abroad (i.e., the degree was **not** obtained in Germany or another country with German as an official language) can request the recognition of IIS Abroad Semester.

In order to apply for the recognition according to this regulation, please fill in the following form and send it together with the following documents as one merged PDF file via email to studium-iis@fau.de using the subject line "Request for recognition of IIS Abroad Semester":

- Copy of your certificate documents from the university abroad
- Filled form "Request for recognition of IIS Abroad Semester"
